

NIKITA YELDYNOV

FRONT-END
DEVELOPER

/ ALL ABOUT ME

Front-end developer able to realise projects from the ground up. Used to learn a lot by myself, I'm well versed in all the key programming languages and able to design, code and deploy in an organised and efficient manner.

As a journalist in the past, I have had a lot of opportunities to develop my soft skills such as communication, organisation and adaptability and i believe these would serve me and my employer good in future.
